

## ALOHA & HAPPY NEW YEAR

The annual winter whale migration to the Hawaiian Islands has once again arrived to the Garden Island, Kauai. As the New Year approaches we want to say MAHALO, thank you, for being our guests at the Garden Island Inn. We enjoy 365 days a year making your stay pleasurable and comfortable. 2012 will bring you a plethora of activities and scheduled events here at Kalapaki Beach. Mother nature will also provide: beaches, surf, sun, tropical flora, fish to catch and great food on the table. We await your arrival back to paradise, and your "family" at the Garden Island Inn.
