

Happy Holidays

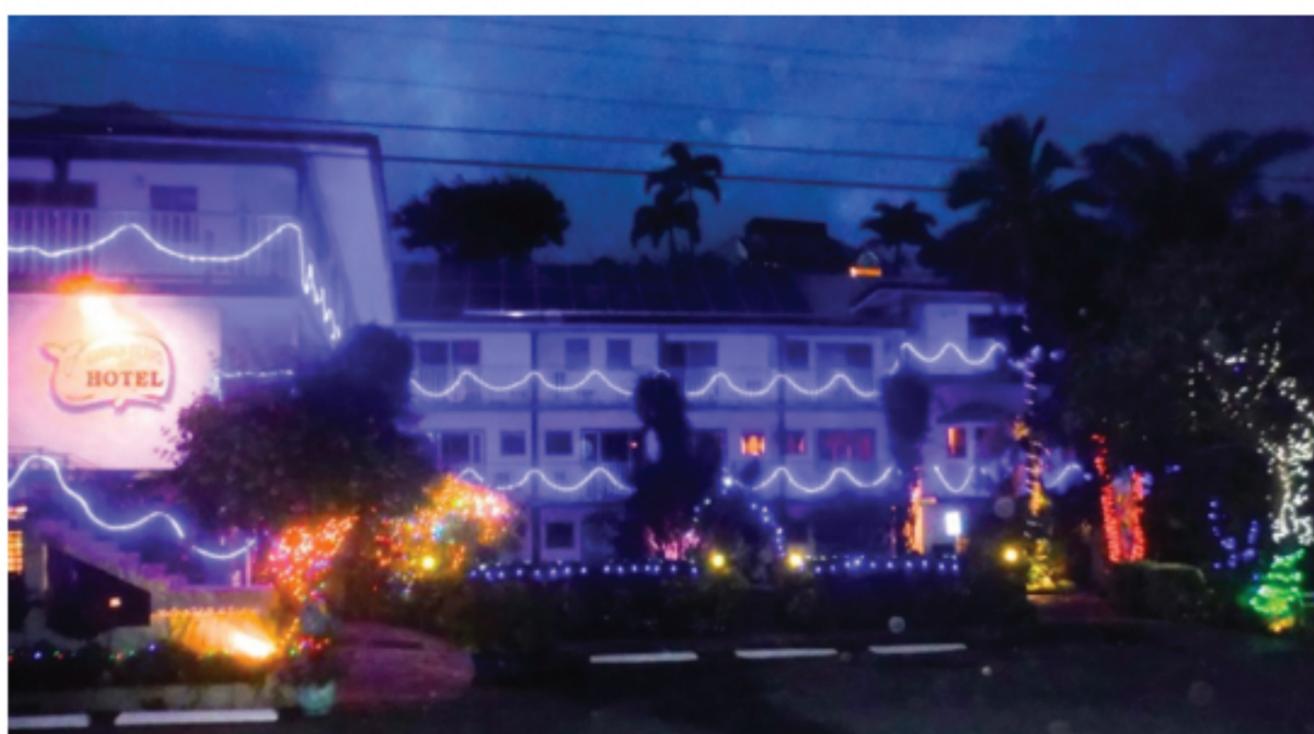

Garden Island Inn

December 2015

HAPPY HOLIDAYS AND HAPPY NEW YEAR!

We are home in the island, "takin it easy"....Every day can take your breath away! Spotting whales - "thar she blows"; watching the sea turtles play and the sun rise and set...you know that paradise is HERE!

We wish you enjoyable family traditions and ALOHA everywhere you go.

Mahalo for your friendship, love and support. The Garden Island Inn is awaiting your return.
